

HAPPY Easter

Easter is on its way

Put on your Easter Bonnet with all the frills and join us at
Little Treasures for a fun filled Easter week,

Monday 27th March – Friday 31st March

We have been observing the children's excitement with
reference to Easter therefore to develop the children's
knowledge about Easter; we would love it if they
could design an Easter Bonnet at home.

We will be having a parade each day for the children
to show off their hats they have made and we will be
enjoying lots more exciting games and fun activities
to develop our understanding of Easter.
