

Sponsored Walk

The nursery will be holding a sponsored walk for former pupil Sean Lavery on Saturday 16th September at 10am.

Sean, who has suffered from Type 1 Diabetes since he was one year old, goes off to high school this month and as many of you know children don't want to be different at that age. Therefore his family have been working to raise funds to cover the costs of purchasing and maintaining a machine which will allow Sean to discreetly test his blood as this machine is not yet available on the NHS.

As a staff team we have worked with Sean and his family over many years, previously with his sister Eilidh and currently with his brother Alexander, therefore we felt we would like to help in any way we can.

All children, past and present, and their families are more than welcome to join us. Please speak to a member of staff who can provide a sponsor form, alternatively you can download one directly from the newsletter section of our website.

Our walk will start at the front of Broadwood Stadium, we will then walk to the wooden playpark a third of the way round the loch where we will stop for a snack before walking back to the stadium.

We appreciate the support we receive for all our charity work and look forward to helping Sean's family achieve their goal.
