

Pantomime Notice

Could all parents please be aware that if you wish your child to attend the pantomime that the nursery is organising on Wednesday 20th December that you return you completed permission slip and money by this Friday - 6th October as this is the cut-off date that Cumbernauld Theatre have given us to secure and pay for the tickets.

It also allows us to make final preparations with the bus company for the size of coach we will require.

Please note that failure to return you permission slip by this Friday – 6th October then unfortunately your child will then not be able to attend the Pantomime as they will not have a ticket, as we are unable to add additional tickets at a later date.

We hope that all the children are able to attend, however if you know of a reason your child will be unable to attend if you could inform staff it would be greatly appreciated.

Thank you!
