

# Little Treasures Newsletter

March 2018

## Policy

Please find attached a copy of our Sustainable Practice Policy. We would welcome any comments or suggestions you may have regarding this policy. Parental engagement is an important aspect of nursery life as it allows us to meet your expectations and provide the best possible care for your child. Please feel free to speak to a member of staff or complete a comments sheet, located at the shoe rack, if you have any comments or suggestions.

## Nursery Funding

Could all parents be aware that the funding for the pre-school and ante pre-school children finishes on Thursday 29<sup>th</sup> March. The funding will start again on Monday 16<sup>th</sup> April. Fees will be adjusted to reflect this. Children who only attend nursery for their 3-5 year old funded hours are not due in those weeks.

## Eco Flag

We would like to announce that we have just been awarded our fourth Eco Green Flag Award. This is a massive achievement by the children and staff and is well deserved for all the hard work that is put into achieving this award. We will now move onto working towards our fifth green flag and we look forward to our eco journey ahead.

## Public Holidays

The nursery will be closed Monday 2<sup>nd</sup> April  
There will be no charge for this day.

## Healthy Recipe

Please find attached a copy of a healthy recipe for you and your child to make and enjoy.

## Childsmile

The Childsmile team was due to attend the nursery on Friday 2<sup>nd</sup> March to administer the fluoride paste to all children aged three years and over however due to the weather they have cancelled. We will inform all parents of the new date once this has been arranged.

## Earth Hour

World Earth Hour will be held on Sat 24<sup>th</sup> March at 8.30pm when people and governments around the world turn off all lights and electrical appliances for one hour to emphasise the importance of conserving energy to help our planet. As an eco-nursery we emphasise the importance of our roles in saving the planet with the children. If you are able to participate in this experience staff would appreciate any footage you can pass on to the nursery which will allow us to record this in your child's learning story and reinforce children's learning within nursery.
