

## New staff

Due to the sudden increase in the number of children now and in the coming year we have made the decision to increase the amount of nursery staff. Therefore we would like to welcome our new staff member Angela to the nursery. Angela has several years of experience in the childcare sector and brings a wealth of experience, she is eager to be a part of the team and to continue our commitment to offer the highest level of service and expertise.

We are delighted to have Angela on board and we hope all parents will work with us in ensuring Angela feels part of the nursery team.
