

## Sun Cream

The better weather is slowly approaching and the children will need their own suncream replaced.

The nursery is committed to ensuring that all children are fully protected from the dangers of too much sun/UV rays. Children must have their own sun cream, minimum SPF 40, labelled with their name. Prior written consent from parents must be obtained for staff to apply the child's suncream. This enables children to have sun cream suitable for their own individual needs. Staff must be aware of the expiry date and discard sunscreen after this date.
