

Activity Week

This is just a wee reminder that we will be holding Play on Pedals sessions on both Tuesday and Thursday of this week as part of our activity week, therefore all children are welcome to bring a wheeled toy from home, for example – Bike, Scooter, Ride on, along with their own helmets.

We look forward to seeing the children in action with their own wheeled toys and hearing them share their stories with their friends!

All wheeled toys can be stored in our summerhouse and collected again when your child is going home!

Once again staff would like to thank you for your co-operation and continued support 😊
