

Little Treasures Newsletter

July 2018

Newsletter

Please accept our sincere apologies that the newsletter has gone out late this month. Our computer screen unfortunately broke which meant we were unable to carry out any ICT work until it was replaced.

Funding

We would like to remind all parents that the 3-5 Government Funding will recommence on Thursday 16th August.

Healthy Recipe

Please find attached a copy of a healthy recipe for you and your child to make and enjoy.

Policy

Please find attached a copy of our Complaints and Compliments Policy. We would welcome any comments or suggestions you may have regarding this policy. Parental engagement is an important aspect of nursery life as it allows us to meet your expectations and provide the best possible care for your child. Please feel free to speak to a member of staff or complete a comments sheet, located at the shoe rack, if you have any comments or suggestions.

Pillow Case

Could parents please provide a pillowcase for your child's peg to hold completed art work for you to collect. Please note work in pillowcases will be recycled weekly therefore we ask all parents to ensure they collect all artwork on their child's last day.

Clothing

Could all parents please provide a bag containing at least three changes of clothes for your child, which can be left on their individual peg. Obviously accidents occur or spills can happen, if your child does not have a change of clothing this may result in you being contacted to immediately bring clothing to nursery.

Eco School

The nursery will be forming a new Health Promoting/Eco committee which will consist of parents, children and staff. If you would be interested in participating in the committee we would hold 3 meetings a year and try to have these at times which would be suitable. Please speak to Jackie or Christina if you are interested in being part of our committee.

Wellies

Could all parents please ensure that your child has a pair of wellies and indoor shoes in nursery and that they still fit them as all children are growing continuously.
