

Little Treasures Newsletter

August 2018

Funding

Please note that funding for all 3-5 year olds will commence on Thursday 16th August 2017. Parents will be advised via the newsletter of any dates your child will not receive funding over the next year.

Pillow Case

Could parents please provide a pillowcase for your child's peg to hold completed art work for you to collect. Please note work in pillowcases will be recycled weekly therefore we ask all parents to ensure they collect all artwork on their child's last day.

New Staff

We would like to welcome two new members of staff to the team, Taylor Christensen and Gemma Mann. After consultation with parents, children and staff we decided to hire Taylor and Gemma. Both are Carousel trainees working towards their Early Years Practitioner qualification. We hope you will all work with us in supporting them whilst they gain the knowledge and skills necessary throughout their time with us and in welcoming Taylor and Gemma to the team.

Parent Area

We would like to draw your attention to our Parents area located between the front door and reception. We have created this space to provide children and their families with an area where they can share their child's learning through their individual Learning Stories, planning board and parental consultation and access resources that can be taken home as well as enjoyed at nursery. We hope all our families enjoy this area, please feel free to speak to a member of staff if you feel this area can be improved in any way.

Improvement Plan

Every year the nursery must create an Improvement Plan where we detail the improvements we are going to work towards over the coming year. We would like to thank all the families who handed back the questionnaires we have given out over the last year as feedback from parents and children allows us to evaluate the service we provide and take appropriate action through the targets in our improvement plan. Over the coming year we will be working on developing our Literacy Area and developing a creative area outdoors that will support children in following their curiosity, develop their problem solving skills and help them make sense of the world. Please speak to a member of staff if you have any questions, suggestions or can help in any way.
