

Inspection

We have been notified that our inspection, which will be carried out by the Care Inspectorate, will take place at some point over the coming months. The inspection is unannounced therefore we cannot confirm when our inspector, Isabella Semple, will attend the nursery. The inspecting officer will spend a large amount of time within the playroom observing and interacting with the children and may also wish to speak to some parents/grandparents on the day.

If you have any questions please feel free to speak to a member of staff.
