Policy

Please find attached a copy of our Curriculum for Excellence Policy. We would welcome any comments or suggestions you may have regarding this policy. Parental engagement is an important aspect of nursery life as it allows us to meet your expectations and provide the best possible care for your child. Please feel free to speak to a member of staff if you have any comments or suggestions.

Resource Library

We would like to draw your attention to our Parent and Staff Resource Library located next to the children's pegs. Over the years staff have accumulated information and books from various training courses that are beneficial to the children's learning and development including the NHS Lanarkshire Nutrition and Oral health document which the nursery helped write as part of a focus group. Parents are free to browse our resource library at any time. Should you wish to borrow any of the resources please speak with a member of staff who will be happy to arrange this for you.

Wish Bags/ Books

Could all parents please ensure that any Wish bags/books they have had for several months are returned to the nursery to allow other children the opportunity to access the experiences these bags offer.

Clothing

Could all parents please provide a bag containing at least three changes of clothes for your child, which can be left on their individual peg. Obviously accidents occur or spills can happen, if your child does not have a change of clothing this may result in you being contacted to immediately bring clothing to nursery.
